

Gifu Prefectural Tono Jitsugyo High School

Courses and their student quotas

Business Management Course	80
Business Information Course	80
Human Life and Culture Course	80

School Motto

• Labor • Responsibility • Enterprise • Originality

Labor	Students find their own way of living and values. They cultivate their attitude to work and their view of profession through volunteer activities, internship and so on.
Responsibility	Students take responsibility for their behavior and all the results. They have the awareness as a member of a society and are responsible for their own behavior
Enterprise	Students have an attitude to challenge enthusiastically regardless of the previous customs.
Originality	Students have original ideas or new suggestions. They try to acquire basic and fundamental knowledges or skills, together with the ability to think, judge, and express themselves and further applied skills.

5 Practice Targets of the Students

- Give pleasant greetings!
- Concentrate on each lesson, try for qualifications!
- Actively participate in club activities!
- Pay attention to nice and neat dressing and appearance!
- Make efforts in creating clean environment!
