

令和6年度 岐阜県立岐阜商業高等学校アンケート集計結果（生徒）

		よくあてはまる					ややあてはまる					あまりあてはまらない					まったくあてはまらない					わからない					番号	A	A+B	(%)	(人)
学校の活動全体	1	[Stacked bar chart showing response distribution for item 1]																									1	11	31	55	11
	2	[Stacked bar chart showing response distribution for item 2]																									2	13	29	52	14
	3	[Stacked bar chart showing response distribution for item 3]																									3	17	39	70	12
	4	[Stacked bar chart showing response distribution for item 4]																									4	31	44	79	8
	5	[Stacked bar chart showing response distribution for item 5]																									5	31	46	82	5
	6	[Stacked bar chart showing response distribution for item 6]																									6	43	46	82	7
学習指導	7	[Stacked bar chart showing response distribution for item 7]																									7	24	46	82	5
	8	[Stacked bar chart showing response distribution for item 8]																									8	27	41	73	8
	9	[Stacked bar chart showing response distribution for item 9]																									9	16	33	59	16
	10	[Stacked bar chart showing response distribution for item 10]																									10	20	41	73	8
生徒指導	11	[Stacked bar chart showing response distribution for item 11]																									11	23	39	70	11
	12	[Stacked bar chart showing response distribution for item 12]																									12	30	41	73	12
	13	[Stacked bar chart showing response distribution for item 13]																									13	28	44	79	7
	14	[Stacked bar chart showing response distribution for item 14]																									14	33	47	84	5
進路指導	15	[Stacked bar chart showing response distribution for item 15]																									15	29	44	79	6
	16	[Stacked bar chart showing response distribution for item 16]																									16	27	37	66	13
	17	[Stacked bar chart showing response distribution for item 17]																									17	25	39	70	12
その他	18	[Stacked bar chart showing response distribution for item 18]																									18	30	42	75	9
	19	[Stacked bar chart showing response distribution for item 19]																									19	35	45	80	10
	20	[Stacked bar chart showing response distribution for item 20]																									20	20	33	59	16
学校独自項目	21	[Stacked bar chart showing response distribution for item 21]																									21	31	43	77	7
	22	[Stacked bar chart showing response distribution for item 22]																									22	34	41	73	9
	23	[Stacked bar chart showing response distribution for item 23]																									23	27	41	73	6
	24	[Stacked bar chart showing response distribution for item 24]																									24	29	44	79	6
	25	[Stacked bar chart showing response distribution for item 25]																									25	34	48	86	5
