

Symptoms of the Novel Coronavirus

新型コロナウイルス感染症

Once again, let's do our best to prevent the spread!

もう一度感染予防を徹底しよう

Kamo Senior High School Part time Course

The threat of coronavirus has not yet subsided. A fourth state of emergency has been declared in Tokyo, and Gifu Prefecture is said to be at high risk of entering the fifth wave. Please be aware of the following during the **Summer Vacation**.

1. Needless to say about yourself, in case a member of your family whom you live with or family friends feel unwell or have to take **PCR or antigen test**,
→ **Contact the school as soon as possible** and **stay home** until there is a result.
※ In case of **taking PCR or Antigen test**, **contact the school as soon as possible even though it is during the holiday**.
(School's Cellphone No. 090-3481-4193)
2. Be sure to wear masks, avoid meals with many people or make meals quick, avoid speaking loudly, and warn your family and relatives. There are many infections during drinking, karaoke, partying, barbecue and in accommodations.
3. Refrain from unnecessary outings.
Specially visiting places where infection is spreading.
4. Make sure to fill in the "Health Check Card" every morning and pay attention to the health care of all your family including yourself.
5. Avoid going outside and stay at home for 24 hours, even after your fever goes down.
