◇ 名古屋外国語大学でキャンパスツアーとPUT体験授業に参加しました！

日 時： 令和元年9月30日(月:期間休業日)

場 所： 名古屋外国語大学

目 的： 世界で活躍できるグローバル人材になるためのステップとして、多くの「発見」「きっかけ」を見つける。

◇ キャンパスツアー

名古屋外国語大学企画広報室の大野秀明様より概要説明をしていただいた後、在学生の古屋さんにキャンパスを案内していただきました。学習室や図書館、学食などに立ち寄り、大学の雰囲気を感じ取ることができました。また、少人数に対応した講義室や同時通訳の練習のための教室などすばらしい学習環境を見学させていただきました。

◇ PUT体験授業

PUTとはPower Up Tutorialの略で、名古屋外国語大学独自の‘超’少人数授業です。ネイティブスピーカーの講師1人につき、生徒4人がついて会話の練習をします。今回は関高生3名のために準備していただきました。英語好き、英会話好きの生徒3名が集まり、ネイティブスピーカーの先生とともに、有意義な90分を過ごしました。

生徒の感想

■中学生のときから名古屋外国語大学で外国語を勉強したいと思っている自分にとって、今回のツアーはとても良い経験になりました。

夏のオープンキャンパスでは聞けなかった情報（学部や学科の細かな違い）も聞くことができ、どの学部学科が自分に合っているかを深く考えることができました。今回のツアーの中で1番印象に残っているのがPUTで、90分間も外国人の先生や仲間と話すことができ夢のようでした。

今回のツアーで、本当に海外のことや外国語が好きなんだなぁと思い、ますます名古屋外国語大学に進学したいと思いました。将来、海外でも通用する僧侶になるためには、この大学で外国語や教養を学んでいくのが1番だと思いました。

今回のツアーを糧にして、もっと英語の勉強を頑張っていきます。

本当にありがとうございました！

Thank you for giving me special experience! My best memory of NUFS tour is PUT. I really enjoyed talking with a teacher and students in English.

From now on, I want to study English harder. Thank you!

■First of all, I had a good time in this program.

Especially PUT class was really fun. I felt that the class system with 1 teacher and 4 students is pretty good because there are a lot of time to apply English I've learned. Actually I could talk a lot with friends who are interested in foreign languages. I think this is the best point of going university of foreign studies. I know it could be difficult to do it in our daily English classes, but making groups of 4 or 5 people is going to make our skills better because there may have more chances to talk in English. And talking in PUT was also really natural and I could enjoy myself more than before. But it is sometimes hard for us (actually I also didn't do well in PUT at first). However, if we have had experience of reaction or questions that follow conversation, we can have more natural conversation. I learned it in PUT and I think we can adopt this system.

This program also gave me a chance to think about my path. I have many things that I want to do and I haven't decided which university to go, but I could listen to stories of students there and know that there are many ways to study what I like.

■It was pleasure to go and look around the campus because there are a lot of native speakers who I think want to learn Japanese language. I felt as if I'd been a foreign university. That should also be expected for being foreign people like British, American, Australian, and someone having lived in Philippine and so on.

I have three things to tell you about my best impression on this study tour.

First of all, I considered "PUT" which has the system that spares time with the aim of being able to communicate with someone at ease to use words we have never used. We talked one another for 90 minutes, and this was the best time I've ever experienced in my school life.

Secondly, the students who continue to make their efforts are pretty earnest. To my surprise, almost all the students are very quiet when they study.

Thirdly, facilities are nice-looking and was set up for students' comfortable and deep studies. Especially, the buildings which were established these days look beautiful.

It was awesome and was a good opportunity for me to think about my future. Thanks a lot.
